

## Cozy Quilts and Inn Collection – Built to Last Twice as Long

These home-style quilted bedspreads are designed exclusively for health care use – they're built to be beautiful, durable and practical. Nylon stitching means they last longer than most other heat-sealed bedspreads. And the cotton/polyester blended face fabric, combined with 100 percent bonded polyester fill, virtually eliminates bunching.

**When placing an order, please specify your fabric choice. Because your satisfaction is our primary goal, we recommend that you request fabric samples prior to placing your order. To do so, please contact your Medline sales representative or customer service. All colors are reproduced as faithfully as printing methods will permit. Please note that once the product is made to your specifications, it is not returnable.**

## Luxor Quilts – Designer Looks for Any Room

These quilts have a custom-made look. They come in a variety of designs and stylish prints, for that personal touch. Matching drapery fabric is also available to help create a truly coordinated room. Luxor quilts are non-reversible, ultra-durable 100 percent Trevira® polyester. You can contact your Medline sales representative to request sample swatches.
