TABLE LINENS - GENERAL INFORMATION

COLOR

Whether you are looking for crisp, clean, white linens or hues of vibrant color, we've got it covered. Our extremely durable table linens are made to withstand commercial laundering yet are also easy to wash yourself. Watch as your stains release beautifully. Colors will last for the life of the fabric. Colors are shown to the right for each.

SIZE

Standard table linen sizes fit most tables. It's important to consider the drop (inches of fabric draped off edge of table), which typically ranges from 6"-12". Our recommendations are listed on the chart below. Custom sizes can also be made upon request. Please contact your Medline representative for details.

"HAND"

Both Permalux and Elegance are soft to the touch, much like cotton, but more durable. Elegance (100% spun polyester) and Permalux (50/50% cotton/polyester) both sustain the benefits of polyester. You will find there is minimal shrinkage, no picking or snagging, and excellent color retention...all without losing the look and feel of cotton. The "hand" is grand!

PERMALUX VS. ELEGANCE

Depending on your needs, you can choose between Permalux or Elegance based on the general product specifications below. Elegance spun polyester is a customer favorite as it's the more durable choice yet still very affordable, however, Permalux has a variety of unique colors available.

PERMALUX FEATURES

- 50% cotton/50% polyester
- 3% - 6% shrinkage
- Absorbs better (part cotton)
- Fade resistant
- 5.6 oz weight

ELEGANCE FEATURES

- 100% spun polyester
- 1% or less shrinkage
- Absorbs, but not as well as cotton
- Fade proof- will not fade!
- 7.2 oz (heavier-weight)

ORDERING INFORMATION

TO ORDER:

Review "Size" section on page two and select appropriate table linen size. Select color on page three, noting the three-letter color code that follows color name. Locate item number below and add color code to end of number to complete. Place order.

All tablecloths are sold by the dozen. All napkins are sold by the six-dozen. Square tablecloths are returnable (restocking fee and freight must be paid), but rectangular and round sizes are not. We recommend approval of the actual fabric swatches prior to ordering (are available upon request) as color has been replicated as faithfully as printing process will allow, but may not be an exact match.
