

Non-Sterile **E*Kits**TM

(Efficiency Kits)

Cost-Effective and Convenient...“Grab one and go.”

3 Ways Medline's Non-Sterile E*Kits Increase Your Efficiency

With the valued input from clinicians, Medline has designed our superior line of Non-Sterile E*Kits™ to:

1. Reduce the soft-costs associated with the:

- Ordering, receiving and stocking of multiple products.
- Picking and assembling of each kit by your staff.

2. Create an offering of over 40 streamlined stock E*Kits.

These kits feature Medline Brand products, which offer additional savings, without sacrificing quality.

3. Offer flexibility.

Our Create-A-Kit™ Program allows you to customize your E*Kit(s) to include the products that best fit your patients and budget. We have over 100,000 products to choose from, some which can be imprinted with your organization's name and/or logo (carafes, maternity bags, belonging bags, baby shirts, etc) to promote your organization.
