1. Product and Company Identification

Material name: OPTIRAY® IOVERSOL INJECTION

Version # 01
Revision date 03-16-2012
CAS # Mixture

Synonym(s) OPTIRAY® 160 Ioversol Injection 34% * OPTIRAY® 240 Ioversol Injection 51% * OPTIRAY® 300 Ioversol Injection 64% * OPTIRAY® 320 Ioversol Injection 68% * OPTIRAY® 350 Ioversol Injection 74% * N,N'-bis(2,3-dihydroxypropyl)-5-[N-(2-hydroxyethyl-glycolamido)]-2,4,6-triiodoisophthalamide

Manufacturer information Mallinckrodt
675 McDonnell Blvd.
Hazelwood, MO 63042 United States
24 Hour Emergency 314-654-1600
Chemtrec 800-424-9300
Customer Service 888-744-1414

2. Hazards Identification

Emergency overview The hazard warnings associated with this product are based on the individual ingredients included in the finished dosage form of the pharmaceutical product. The supplied package insert (approved labeling) provides the necessary drug safety information.

Avoid any exposure. Handle in accordance with good industrial hygiene and safety practice.

OSHA regulatory status As per 29 CFR 1910.1200(b)(5)(iii), any food, food additive, color additive, drug, cosmetic, or medical or veterinary device or product, including materials intended for use as ingredients in such products (e.g. flavors and fragrances), as such terms are defined in the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.) and regulations issued under that Act, when they are subject to the labeling requirements under that Act by the Food and Drug Administration are exempted from the requirements of the Hazard Communication Standard.

All Mallinckrodt finished products are labeled in compliance with the requirements of the Food and Drug Administration (FDA) and must be used in the prescribed manner. Each package of the finished pharmaceutical product is supplied with a package insert (approved labeling) which provides necessary drug safety information.

Potential health effects

Routes of exposure Ingestion. Skin contact. Eye contact.

Eyes Direct contact may irritate.

Skin The hazardous properties of the product are considered limited. May cause minor irritation on skin contact.

Inhalation Health injuries are not known or expected under normal use.

Ingestion Ingestion of large amounts may produce gastrointestinal disturbances including irritation, nausea, and diarrhea. Allergic reactions are possible.

Chronic effects None known.

Potential environmental effects Ecological injuries are not known or expected under normal use.

MSDS ID: IOVER Version #: 01 Revision date: 03-16-2012
### 4. First Aid Measures

**First aid procedures**

- **Eye contact**: Immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation develops and persists.
- **Skin contact**: Rinse skin with water/shower. Get medical attention if irritation develops and persists.
- **Inhalation**: Not likely, due to the form of the product.
- **Ingestion**: If ingestion of a large amount does occur, call a poison control center immediately. Do not induce vomiting without advice from poison control center. Rinse mouth.

**General advice**: If you feel unwell, seek medical advice (show the label where possible).

### 5. Fire Fighting Measures

- **Flammable properties**: Not flammable by OSHA criteria.

**Extinguishing media**

- **Suitable extinguishing media**: Use any media suitable for the surrounding fires.

**Fire fighting equipment/instructions**

- **As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.**

### 6. Accidental Release Measures

- **Personal precautions**: No special precautions are necessary beyond normal good hygiene practices. See Section 8 of the MSDS for additional personal protection advice when handling this product.

- **Environmental precautions**: No special environmental precautions required.

**Methods for cleaning up**

- **Small Spills**: Wipe up with absorbent material (e.g. cloth, fleece).

- **Large Spills**: Use a non-combustible material like vermiculite, sand or earth to soak up the product and place into a container for later disposal. Following product recovery, flush area with water. Clean surface thoroughly to remove residual contamination. For waste disposal, see section 13 of the MSDS.

### 7. Handling and Storage

- **Handling**: Handle and open container with care. Do not handle until all safety precautions have been read and understood. Avoid contact with eyes. Avoid contact with skin. Do not ingest. When using, do not eat, drink or smoke. Wash thoroughly after handling.

- **Storage**: Keep container tightly closed. Keep from freezing. Storage temperature: between 15°C (59°F) and 30°C (86°F). Protect from light. Use care in handling/storage. Store in accordance with local/regional/national/international regulation.

### 8. Exposure Controls / Personal Protection

- **Engineering controls**: General ventilation normally adequate.

- **Personal protective equipment**

  - **Eye / face protection**: Safety glasses. Provide eyewash station and safety shower.
  - **Skin protection**: Wear appropriate chemical resistant clothing. Wear protective gloves.
  - **Respiratory protection**: No personal respiratory protective equipment normally required.
  - **General hygiene considerations**: Handle in accordance with good industrial hygiene and safety practice.

Persistence and degradability

No data is available on the degradability of this product.

13. Disposal Considerations

Disposal instructions

This product, in its present state, when discarded or disposed of, is not a hazardous waste according to Federal regulations (40 CFR 261.4 (b)(4)). Under RCRA, it is the responsibility of the user of the product to determine, at the time of disposal, whether the product meets RCRA criteria for hazardous waste. Dispose in accordance with all applicable regulations. Disposal recommendations are based on uncontaminated material.

14. Transport Information

DOT

Not regulated as dangerous goods.

IATA

Not regulated as dangerous goods.

IMDG

Not regulated as dangerous goods.

15. Regulatory Information

US federal regulations

This material is not subject to the Federal OSHA Hazard Communication Standard 29 CFR 1910.1200 (b)(5)(iii).

TSCA exempt status.

Drug Enforcement Administration (DEA). List 2, Essential Chemicals (21 CFR 1310.02(b) and 1310.04(f)(2)

Not regulated

DEA Essential Chemical Code Number
