

Instructions

Remedy Nutrashield

Remedy Nutrashield provides an effective, long-lasting barrier against moisture. For substantial skin protection against excessive transepidermal water loss (e-TEWL). Indicated for diaper rash caused by wetness, urine and stool. Protects and helps relieve chapped or cracked skin. Ideal for dry to denuded skin. Contains Olivamine®, a natural blend of amino acids, antioxidants, vitamins and other enhanced ingredients.

Applying Remedy Nutrashield

- Cleanse skin with Remedy Cleansing Lotion or Body Cleanser, or similar product.
- Apply Nutrashield to intact or excoriated skin until entire area is covered.
- Reapply as needed.

When to call your health care provider

- If you experience a sudden change in your condition, contact your health care provider.
