THE REMEDY
SKIN DESERVES
AT THE FOREFRONT OF SKIN CARE

Over a decade ago, Medline launched Remedy, a new concept in skin care, which quickly became the industry’s leading skin care brand. This success is the result of an unwavering commitment to raising the standards of skin care for patients and caregivers alike. It is success built on the rock-solid foundation of these 3 key principles:

01 Care in Formulation
- Highest standards of ingredient selection
- Developed by leading skin care specialists
- Continuous product research and refinement

02 Proven Performance
- Clinically proven formulations*
- Color-coded system to intuitively guide caregivers

03 Complete Skin Care Product Selection
- Exceptional products for care from cradle to hospice
- Created with consideration of clinical needs and financial realities

EXCEPTIONAL CARE
BUILT ON A HIGH PERFORMANCE CORE

The full range of Remedy Essentials and Remedy Phytoplex products is designed to provide a systematic approach to optimizing skin health for everyone.
Remedy cleansers come in rinse and no-rinse, lotions, gels, foams and sprays to cleanse and condition the skin.

Remedy moisturizers absorb quickly to hydrate and condition the skin without feeling sticky or greasy.

Remedy barriers are formulated to keep moisture out and at the same time keep hydration in.
THE SYSTEM FOR SUCCESS

The Remedy skin care system is designed to facilitate using the right products, the right way, at the right time. Incorporating Remedy Essentials and Remedy Phytoplex products into a single system that is color-coded by usage helps standardize inventory, simplify training and may reduce the chance of staff error and ultimately improve outcomes.

PROTECTANTS

Remedy protectants help relieve symptoms associated with prolonged exposure to moisture.

TREATMENTS

Remedy treatments help treat fungal infections as well as relieve associated symptoms.
CLEANSE WITH CARE

Remedy cleansers are available as lotions, gels, foams and sprays for optimal effectiveness in every situation. Each provides effective, gentle cleansing, deodorizing and skin conditioning.

Rinse and no-rinse formulas
pH balanced, hypoallergenic & dye-free
For all ages
Pediatrician tested
Scented and unscented options available
ESSENTIALS

- Gentle, effective cleansing
- Contains aloe

PHYTOPLEX®

- Non-drying, naturally-derived phospholipid cleansers
- No sulfates or harsh surfactants
- Low sudsing & tear-free
- Soothes, nourishes and moisturizes with proprietary Phytoplex botanical formula
NOURISH. HYDRATE. CONDITION.

Remedy moisturizers provide long-lasting moisturization and are ideal for use on hands, face and body.

Help maintain skin’s moisture balance
pH balanced, hypoallergenic, dye-free & non-greasy
For all ages
Pediatrician tested
Scented and unscented options available
ESSENTIALS

- Gentle, proven moisturizers
- Contains dimethicone

PHYTOPLEX®

- Rich in natural oils, soothing antioxidants and encapsulated oleosomes
- Nourishes skin with proteins, vitamins, essential fatty acids and carbohydrates
- Natural humectants and emollients to further promote moisturization
HYDRAGUARD®, BARRIERS & MORE

Remedy barriers provide long-lasting protection against the harmful effects of incontinence and protects skin’s natural barrier function.

- High quality silicone and petrolatum options
- Protect skin from prolonged exposure to urine, stool and additional risk factors
- Hypoallergenic & dye-free
- For all ages
- Pediatrician tested
- Scented and unscented options available

ESSENTIALS

- Lasting moisture protection
- Appropriate for incontinence care

PHYTOPLEX®

- Breathable silicone blends for improved moisture balance
- Cosmetic formulation allows it to be applied by CNAs
- Often used as a “heavy-duty” moisturizer for very dry skin
CLOTHS WITH DIMETHICONE BARRIER

Revolutionary 4-in-1 cloth cleanses, moisturizes, protects and nourishes with every use.

PHYTOPLEX®

- Gentle phospholipid cleansers
- High quality, breathable dimethicone protectant
- Phytoplex formula with exceptional botanically sourced moisturization and skin nourishment
- Soft, thick cloth for gentle application
- Pediatrician tested
PROTECTING DAMAGED SKIN

Each product is specially formulated to create a substantial, lasting layer of protection and support for irritated and damaged skin. High levels of micronized zinc oxide provide an added level of protection for patients.

Protects intact, irritated and denuded skin from damaging effects of urine, fecal matter and other caustic elements
Protects against all types of moisture associated skin damage (MASD)
Helps treat and prevent diaper rash and maintain skin’s moisture balance
Hypoallergenic & dye-free
For all ages
Pediatrician tested

ESSENTIALS
Contains 20% zinc oxide to protect irritated areas

PHYTOPLEX®
57% U.S.P. standardized white petrolatum
Proprietary Phytoplex botanical formula provides added skin moisturization and nutrition
Aloe- and paraben-free
TREATMENTS WITH ADDED CARE

Remedy provides proven antifungal treatments in ointment or powder.

- 2.0% miconazole nitrate
  Effective against common fungi including athlete’s foot, jock itch and ring worm
  Hypoallergenic & dye-free

PHYTOPLEX®

- Helps maintain skin while treating fungal infections
- Contain Phytoplex skin nourishment and moisturizers
- Available as ointment or powder
DESIGN YOUR PERFECT REMEDY

The value of skin care is far more than the price of what’s in each bottle. Quality skin care has been shown to help lower the risks of costly skin conditions and readmissions.

ADVANCING SKIN HEALTH EVERY DAY

Medline® offers a number of initiatives to support hospitals as well as long- and short-term care facilities in providing the highest quality care. Among the programs and resources offered:

**SKINTEGRITY® TOTAL SKIN HEALTH SOLUTION**

Skintegrity is a comprehensive skin health solution designed to promote standardization of care through specialized education, clinically proven evidence-based products* and ongoing outcomes management. Our dedicated team of WOC Nurses can help conduct a detailed gap analysis, recommend solutions, and monitor the implementation and results of the program.

*Contact Medline Industries, Inc. for data related to the Skintegrity line of products.

**MEDLINE UNIVERSITY® (MU)**

An accredited online resource with informative courses that are approved for CE credit. It also produces webinars on hot healthcare topics, healthcare news, product information and more.

**EDUCATIONAL PACKAGING (EP)**

A revolutionary system with everything the clinician needs to know for appropriate usage printed right on the package.

**EDUCARE HOTLINE**

A toll-free phone line supervised by certified wound care nurses and supported by a network of advanced wound care product specialists. 1-888-701-SKIN (7546).

**CUSTOMIZED GUIDELINES**

Medline’s clinical staff will work with you to develop customized guidelines for your facility.
