Mode of Shipment	Carrier	Payee/Terms	Threshold Rules
*PARCEL Inbound to Medline	FedEx *Ground	Medline*/ Collect	0 - 400 lbs ** Max of 25 packages NON OVERSIZED
A Vendor may use an alternate Inbound to Medline Parcel routing option - <u>Only</u> if they have a signed, authorization from Medline exempting it from the FedEx Ground "Collect" program			
Less Than Truckload Inbound to Medline	Unyson Logistics	Medline/Collect	401 - 12,000 lbs Up to 10 pallets or 1,100 cubic feet
PARCEL Direct to Customer	Vendor's Carrier	Vendor PPD & Add	0 – 250 lbs ** If over 250 lbs ship LTL
Less than Truckload Direct to customer	Unyson Logistics	Medline/Collect	251 – 12,000 lbs Up to 10 pallets or 1,100 cubic feet & for Oversized shipments
Truckload	Contact Medline	Medline/Collect	>12,001 lbs Or > 10 pallets or > 1,100 cube

**** Note: Oversize Parcel** is determined by the following formula: TAKE THE DIMENSIONS OF YOUR CARTON AND ADD IT LIKE THIS: $L + W \times 2 + H \times 2 =$ **IF THIS ADDS UP TO BE EQUAL TO OR GREATER THEN 130 THEN YOUR CASE/CARTON IS OVERSIZED. THEREFORE: DO NOT SHIP VIA PARCEL CARRIER AT ALL – PLEASE SHIP LESS THEN TRUCKLOAD ON Medline CARRIER LISTED IN THIS GUIDE*****

Note2: Bill of Lading requirements and carrier remit to instructions are listed below in the "Mode of Shipment" detail sections.

Charge-backs

Carrier: When our vendor uses a carrier different from the Medline specified carrier, a chargeback is calculated by subtracting the Medline specified carrier freight charge from the actual carrier freight charge.

Insurance: Do not insure or declare value on any collect shipment unless authorized by Medline. Any declared value surcharge for insurance will be charged back in full.

Freight Terms:

On "Prepaid" shipments, or when a vendor does not conform to the freight terms specified on the Medline purchase order, the vendor will pay all freight and accessorial charges associated with the shipment.

(Note: If a vendor allows the carrier to sign the Bill of Lading based on pallet count, rather than piece count, Medline will not accept responsibility for case count shortages. Permitting a carrier to sign for pallet count, inserting a shipper load and count notation, said to contain (STC), unable to count (UTC) or including a "shrink wrapped skids" notation on the shipping documents places the responsibility for case count shortages with the vendor or the carrier and Not Medline Industries).

- Electronic Proof of Delivery (EPOD). If a vendor's carrier uses an EPOD, the Medline receiving team member must be able to notate over, short or damaged cases within the device and obtain a copy (via email or print) of the delivery receipt illustrating the discrepancies. The vendor or vendor's carrier must

supply the copy to Medline within 24 hours from request. Failure to supply the adjusted delivery receipt within 24 hours will result in an immediate debit to the vendor for any discrepancies and release Medline from any liability regarding the items in question.

Schedule of chargebacks:

Late for Appointment	Failure to arrive within 1 hour of scheduled appointment	\$25.00	\$100.00

Small Parcel Shipping Procedures: "Into Medline Branches"<400 Lb/25CS

To Medline Branches Only: Use FedEx Ground "Collect".

If the weight of your shipment is < 400# (AND IS LESS THEN 25 CARTONS AND NOT OVERSIZED) and the shipment is bound for a Medline Branch – please ship FedEx Ground COLLECT. In order to use this option, your company must have its own FedEx Ground account#. If you don't already have an account, call FedEx new accounts directly at 1-800-231-9219 to set one up. Create your FedEx ground collect label to be attached to the package. Labels can be generated with FedEx Ship Manager at Fedex.com or with FedEx Ship Manager soft ware on your PC. You do not need Medline's FedEx account # to ship FedEx ground collect. Collect is the billing option. FedEx will bill Medline for applicable transportation charges from the bar code on the shipping label.

Select FedEx Ground as the service type. Choose "collect" (ground only) in the "Bill Shipment To" field. Enter Medline's Purchase Order Number in the billing reference field for all shipments. This is a required entry and failure to enter this PO# in the reference field will result in a charge back of the

transportation costs. Print your label and affix it to your package. Schedule your package pickup online at fedex.com or by calling 1-800-gofedex (1-800-463-3339). If you do not have a regular FedEx ground pickup allow one extra day for package shipping. Avoid pickup fees by dropping off at a FedEx drop-off location. Find the nearest location by calling 1-800-463-3339 or on Fedex.com

***Small Parcel Shipping Procedures: “Into Medline Branches” <400 Lb/25CS**

To Medline Branches Only: PPD & ADD OPTION (Parcel ground only)

Medline expects all vendors to obtain a Fed Ex Ground account # and ship via the Fed Ex Inbound Ground Collect program. This alternative is being made on a temporary basis Only if you have a signed, authorization from Medline Industries, Inc. exempting your company from the FedEx Ground “Collect” program.

Ship PPD&Add on your **own parcel** account ONLY IF YOUR CHARGES ARE LESS THEN \$150.
*IF YOUR COSTS WILL EXCEED \$150 THEN PLEASE REVERT TO THE LESS THEN TRUCKLOAD PORTION OF THIS GUIDE AND USE THE Medline CARRIER INSTEAD

**IF YOU PPD&ADD AND THE CHARGES BACK TO Medline EXCEED \$150 YOUR INVOICE WILL BE SHORT PAID AND Medline WILL ONLY PAY BACK WHAT WE WOULD HAVE PAID HAD YOU COMPLIED WITH THIS ROUTING GUIDE

Note: Medline’s Purchase order must be listed in the Package/Billing reference field

Small Parcel Shipping Procedures: “Drop/Customer Directs” <250 Lbs

Drop Shipments Only: “Prepaid & Add” on your own parcel account#.

Bill back Medline for these charges when you bill for merchandise. The invoice must have back up detailing these charges sent along with the invoice. Charges are not to include any handling or other service charges. These charges will be reviewed prior to payment. Medline Industries will not file claims against a vendor’s carrier on prepaid shipments.

**Shipments >251 lbs and or Oversized should be treated as LTL - refer to the LTL to Customers’ portion of this guide

**DO NOT SHIP OVERSIZED SHIPMENT PARCEL. CHOOSE LTL AS THE SHIPPING METHOD IF YOUR SHIPPING CARTONS DIMENSIONS ADDED UP (L + W + W + H + H) ARE EQUAL TO OR GREATER THEN 130!!! THAT IS CONSIDERED OVERSIZED

No air freight shipments will be made without written authorization from Medline Industries, Inc.

**THERE IS NOW GROUND SERVICE TO HAWAII, ALASKA AND PUERTO RICO – 2ND DAY AIR IS NO LONGER THE ONLY OPTION

Note: Medline’s Purchase order must be listed in the Package/Billing reference field

Less Than Truckload (LTL): > 251 Lbs < = 12,000 Lbs to CUSTOMERS
MAXIMUM CUBIC FEET ALLOWED IS 1100 CUBE

For LTL shipments use Unyson Logistics. Log onto the Unyson Web Portal at www.medlinerouting.com or call Unyson Logistics at 1-866-633-5750

(Instructions for Web Portal usage are on Pages 5-15 of this Routing Guide)

VENDORS MUST ENTER PURCHASE ORDER INFORMATION INTO THE UNYSON WEB PORTAL OR CALL UNYSON AT LEAST 72 HOURS IN ADVANCE OF THE DESIRED PICK-UP DATE TO OBTAIN LTL ROUTING INSTRUCTIONS.

*****APPLIES FOR SHIPMENTS TO MEDLINE FACILITIES ONLY*****

(Charge-back provisions will apply on requests that arrive with less than 72 hour notice, unless prior Medline authorization is acquired)

72 HOUR NOTICE IS NOT REQUIRED ON DIRECT TO CUSTOMER SHIPMENTS

All purchase orders ready for shipment on the same day to a single destination must be combined on one bill of lading as a single shipment. Any vendor shipping less-than-truckload needs to abide by the “must ship by” or “must deliver by” dates on the PO. If possible, vendors send only one (1) weekly shipment to each Medline branch. This will help reduce receiving inefficiencies caused by excessively small shipments and reduce freight costs. Shipping terms on Medline purchase orders are predicated on the complete fulfillment of the order in one shipment. Back orders must be shipped FOB destination at the vendor’s expense, unless prior approval is obtained from Medline Industries.

Bills of Lading must include:

- Medline’s purchase order number plainly displayed.
- Actual name of shipper (Medline assigned vendor number may be used in lieu of shipper name) and shipper’s address (if different from name and address on the invoice).
